**New Zealand's Premier Road & Track Cycling Club
2005/2006/2007/2009/2013 National Road Champions**

22 February 2022

After long deliberation and much thought, I have decided that the time is right after 22 years fulfilling a wide range of roles both at Club and Centre level for me to step down from all my roles in cycling, and particular with Pegasus Cycling, the club which I helped form in 2004. I don't intend to expand on those two decades as those of you who have known and worked with me are fully aware already. I do intend, however, to continue through until the end of 2022 to permit a new team to be trained up and gain some experience over the remaining 10 months. The primary roles which would need to be filled are:

- Pegasus Cycling Secretary
- Pegasus Cycling Events Manager
- Pegasus Cycling Assets Custodian
- WheelTime Timing System Manager

Please do not hesitate to get in touch with me for further information if you think you would wish to assume some or all of these commitments to ensure the continued delivery of road cycling for the club and the region.

Regards

Derrick Nelson
